

## DZ & AZ DRIVERS/OPERATORS

We are always seeking motivated, self-starting team players at Accuworx.

### Qualifications

Qualified candidates will be integral to emergency response and industrial service projects in a fast paced, ever changing environment. Must be competent with project documentation, site safety, quality assurance, problem solving and regulatory compliance.

Our work setting is physically demanding, can include handling hazardous materials and the use of personal protective equipment. Involves nights, weekends and on-call.

A pre-employment drug screen is required.

### Compensation

Competitive pay and benefits for qualified candidates.
